Naas AFC

Parent Contract

The essential elements of character-building and ethics in sports are embodied in the concept of sportsmanship and six core principles: Trustworthiness, Respect, Responsibility, Fairness, Caring, and Good citizenship. The highest potential of sport is achieved when competition reflects these "six pillars of character."

I therefore agree:

1. I will not force my child to participate in soccer.
2. I will remember that children participate to have fun and that the game is for youth, not adults.
3. I will inform the coach of any physical disability or ailment that may affect the safety of my child or the safety of others.
4. I will learn the rules of the game and the policies of the club.
5. I will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials and spectators at every game and practice.
6. I will not engage in any kind of unsportsmanlike conduct with any official, coach, player, or parent such as booing and taunting; refusing to shake hands; or using profane language or gestures.
7. I will not encourage any behaviours or practices that would endanger the health and wellbeing of the players.

10. I will teach my child that doing one's best is more important than winning, so that my child will never feel defeated by the outcome of a game or his/her performance.

11. I will praise my child for competing fairly and trying hard, and make my child feel like a winner every time.

12. I will never ridicule or shout at my child or other participant for making a mistake or losing a match.

13. I will emphasise skill development and practices and how they benefit my child over winning. I will also de-emphasise games and competition in the lower age groups.

14. I will promote the emotional and physical wellbeing of the players ahead of any personal desire I may have for my child to win.

15. I will respect the officials and their authority during games and will never question, discuss, or confront coaches at the game, and will take time to speak with coaches at an agreed upon time and place.

16. I will demand a sports environment for my child that is free from any kind of drugs.

17. I will refrain from coaching my child or other players during matches and practices unless I am an official coach.

18. I will only give positive reinforcement, support and encouragement when on the sideline at matches.
